

First Year Teacher: 4 Things That Prepared Me For My Job

2012 Teaching Fellow [Kate Miller](#) felt prepared when she began her first year of teaching. To provide insight into how preparation can change the experience of being a first-year teacher, she wrote a piece that describes four factors that helped to prepare her for the classroom.

That [piece](#) was featured in “The Answer Sheet,” a Washington Post blog, on January 28, 2014.
